Inspired by Loss, Driven by Purpose

*"Pain becomes passion.
Passion becomes purpose.
And purpose becomes a mission.
So now we continue the mission to save lives."
-Coach Webb*

In the wake of a devastating loss that shook his world, Coach Vonn Webb, former High School State Champion and Division I Men's Basketball Coach, found a new purpose. On May 10, 2022, Coach Webb received a heart-wrenching call that every parent fears – his youngest son, Taelin, had tragically lost his life to an accidental fentanyl overdose at just 26 years old.

Turning pain into purpose, He founded Stay Shaded, an organization committed to making a difference in the fight against the fentanyl crisis. We serve as a bridge connecting resources for those impacted by addiction. Through our comprehensive approach to addressing addiction and providing support, we strive to make a positive impact on individuals, families, and communities affected by fentanyl addiction. Join us in our mission to save lives and create a future free from the devastating effects of this epidemic.
